

MAP NOTES
 THIS IS A COPY OF THE "KEY TO MAP NUMBERS" FOR GEORGE ABBOTT LS 2297. HIS ORIGINAL IS BECOMING FADED AND HARD TO READ IN THE ORIGINAL, AND THE SCANS OF IT WERE NOT LEGIBLE WITHOUT A FILE SIZE OF OVER 20MEGS.

I HAVE COPIED ALL THAT WAS ON THE ORIGINAL AS IT WAS DRAWN. AT THE TIME OF THIS COPYING I AM STILL NOT SURE WHAT ALL THE VARIOUS NUMBERS REFER TO. THE LEGEND BELOW ADDRESSES WHAT I DO KNOW, AS WELL AS SOME GUESSES:

TO ASSIST WITH LOCATING A PROJECT, I HAVE ADDED A GOOGLE EARTH IMAGE UNDERNEATH THE INDEX. THE INDEX HAD PERFECT SECTIONS, SO IF A PROJECT IS NEAR A SECTION BOUNDARY IT MIGHT REQUIRE LOOKING AT SEVERAL SHEETS.

LEGEND

- (38) SHEET NUMBERS OF MAP INDEX (ORIGINAL HAS CHECK MARKS WHICH HAVE BEEN OMITTED)
- (3) SECTIONS
- B11 UNKNOWN AT THIS TIME
- (ABC) COMMENTS ADDED BY MIKEY MUELLER
