RE: FY 2017 Renewal of CA1173L9T041603, Coordinated Intake Project

To Whom It May Concern:

The Sonoma County Community Development Commission has hosted the Sonoma County Continuum of Care for more than 15 years, coordinating its financial support for more than a decade. We look forward to a continuing effective and satisfying collaboration towards ending homelessness in the next several years.

If the FY 2017 Renewal of CA1173L9T041603, the Coordinated Intake Project Grant, is awarded, we certify that we will continue to provide the necessary minimum match of \$25,550. In fact, we have over-matched that in our 2017-18 included \$40,000 in local, county discretionary funds to match the federal annual award of \$102,198.

Yours truly,

Jenny Helbraun Abramson
Homeless & Community Services Manager

To Whom It May Concern,

The Sonoma County Community Development Commission (SCCDC) has hosted the Sonoma County Continuum of Care for more than 15 years, coordinating its financial support for more than a decade. We look forward to continuing effective and satisfying collaboration in the next several years.

If the FY 2018 renewal of our Coordinated Intake Expansion Grant, is awarded, we certify that we will provide the necessary minimum match of \$67,914 as an in-kind contribution. This contribution will take the form of street and encampment outreach via the Homeless Services Team, using County general funds. These services will include:

- Outreach to unsheltered homeless persons;
- Screening with the standardized Coordinated Entry VI-SPDAT screening tool in order to understand their health and housing needs and service engagement;
- Placement into shelter or, as possible, permanent housing; and
- Facilitating screening for HIV, Hepatitis C, and Tuberculosis.

The County of Sonoma currently funds the HOST project with \$180,791 annually, funding 2.5 FTEs outreach workers and service navigators in a multi-disciplinary team, transportation, storage, technology, and indirect costs, funded through the local County discretionary funds.
