Dear Ms. McDaniel:

I am writing to express my support for the proposed Tasting Room as described in the project application, Permit Sonoma File No. UPE19-0070.

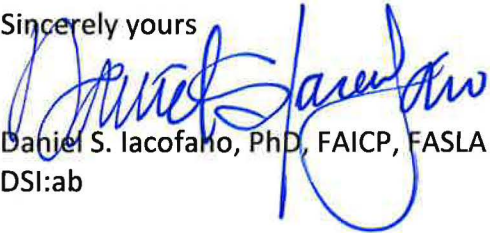

I own the property at 215 Adobe Canyon Road, which is adjacent to the proposed Tasting Room at 211 Adobe Canyon Road. The proposed Tasting Room is directly visible from my property.

Steve Law and his wife Heather are great neighbors, very friendly and communicative. They have done an excellent job improving their property to the benefit of the neighborhood. All activities taking place at their property have been very low key and have not imposed any negative impacts to our household and family living next door.

On behalf of my entire family, we urge you to move forward with approval of the proposed Tasting Room.

Thank you for the opportunity to provide our comments. I would like to request that my letter be read into the record.

Sincerely yours

Daniel S. Iacofano, PhD, FAICP, FASLA
