RESOLUTION OF THE PLANNING COMMISSION, COUNTY OF SONOMA, STATE OF CALIFORNIA, FINDING THE PROJECT EXEMPT FROM CEQA AND RECOMMENDING APPROVAL OF THE ZONE CHANGE WITHIN THE FITCH MOUNTAIN NEIGHBORHOOD FOR PARCELS LISTED IN EXHIBIT A TO THE BOARD OF SUPERVISORS

WHEREAS, the Sonoma County Board of Supervisors has directed Permit Sonoma to identify areas within unincorporated Sonoma County for exclusion of new Vacation Rentals where one or more of the following conditions exist:

1. Inadequate road access or off-street parking;
2. Prevalence of vacation rentals is detrimental to the residential character of neighborhoods;
3. Existing residential housing stock needs to be protected from conversion to visitor-serving uses;
4. Topography, access or vegetation creates a significant fire hazard and associated public safety risks;
5. Areas where residential character is to be preserved or preferred; and/or
6. Other areas where the Board of Supervisors determines that it is in the public interest to prohibit or limit the establishment and operation of vacation rentals.

WHEREAS, this project has been found to be categorically exempt from CEQA Guidelines; and

WHEREAS, in accordance with the provisions of law, the Planning Commission held a public hearing on March 16, 2023, at which time all interested persons were given an opportunity to be heard; and

WHEREAS, the Planning Commission recommends that the Board of Supervisors find the project exempt from CEQA.

NOW, THEREFORE, BE IT RESOLVED that the Planning Commission makes the following findings:

1. The proposed rezone of parcels as shown in Exhibit A is consistent with the Sonoma County General Plan is consistent with Section 2.1 Goal 1 of the Housing Element, which identifies a need to regulate Vacation Rentals to ensure that existing housing stock is maintained and protected, and Policy HE-1k "Continue to regulate the use of existing residences on residential lands for Vacation Rentals".
2. The proposed rezone of parcels as shown in Exhibit A is consistent with Housing Element Program 6, which requires the County to "review and consider revisions to the vacation rental ordinance to limit conversion of permanent housing stock and make vacation rental uses more compatible, and to facilitate enforcement when necessary".
3. Replacement of the Vacation Rental Exclusion (X) Combining Zone with the Vacation Rental 10% Cap (X10) Combining Zone is consistent with the Sonoma County Zoning

Code Section 26-79 and meets the applicable criteria based on the following facts. The particular circumstances in this case are:

- a. Tax Assessment Use Codes show that 41,063 parcels in unincorporated Sonoma County outside of the coastal zone are developed with single family homes, with 1,847 of these operating as Vacation Rentals, resulting in a countywide Vacation Rental concentration of 4.5%
 - b. At this time, 8.1% of the parcels developed with single family homes in the Fitch Mountain neighborhood are operated as Vacation Rentals, which is significantly higher than the countywide average
 - c. A January 2023 community survey of Fitch Mountain property owners received 88 responses and indicates that 59% of residents prefer to replace the existing Vacation Rental Exclusion (X) Combining Zone with the Vacation Rental 10% Cap (X10) Combining Zone, while 29% preferred keeping the existing Vacation Rental Exclusion (X) Combining Zone in place, and 17% preferred replacing the existing Vacation Rental Exclusion (X) Combining Zone with the Vacation Rental 5% Cap (X5) Combining Zone
 - d. Replacing the existing Vacation Rental Exclusion (X) Combining Zone with the Vacation Rental 10% Cap (X10) Combining Zone is consistent with the neighborhood support of maintaining a concentration of Vacation Rentals higher than the countywide average
4. The recommended rezoning is exempt from review under the California Environmental Quality Act under Section 15301 (Existing Facilities) and Section 15061(b)(3) of the CEQA Guidelines, because the proposed changes would not increase the number of vacation rentals or the potential for negative environmental impacts. The project, if approved, would limit or maintain the current number of vacation rentals in a defined area and thus decrease the potential for impacts from vacation rentals related to noise, the loss of housing stock, transportation, and other environmental impacts.

BE IT FURTHER RESOLVED, that the Planning Commission recommends that the Board of Supervisors approve adding the Vacation Rental 10% Cap (X10) Combining Zone to the Fitch Mountain neighborhood as shown in Exhibit A.

BE IT FURTHER RESOLVED that the Planning Commission designates the Secretary of the Planning Commission as the custodian of the documents and other material which constitute the record of proceedings upon which the decision herein is based. These documents may be found at the office of the Sonoma County Permit and Resource Management Department, 2550 Ventura Avenue, Santa Rosa, CA 95403.
