APPENDIX J: HISTORIC RESOURCES INVENTORY

| Feature | Location | Ownership | Description |
|--|---|-----------|--|
| Sea Ranch North | | | |
| Del Mar | West of Highway 1 in The Sea Ranch at Del Mar Landing | Private | This gable roof board and batten cottage is one of the few remaining buildings that was the town of Del Mar, a lumber town. The roof has a rarely found shingle pattern in that shingles are very long. Adjacent are barns and evidence of a lumber mill and moorings. |
| Sea Ranch South | | | |
| Sea Ranch stable and barn | West of Highway 1 in The Sea Ranch | Private | The Sea Ranch stable barn has a wide gable roof and is topped with two large ventilators. The sides are vertical boards and the south gable end, which appears to have been replaced, is horizontal siding. Estimated construction date: 1905. |
| Sea Ranch barn and cottage | West of highway 1 at Black Point near The Sea Ranch Lodge | Private | The house and barn are deteriorating but are an important part of The Sea Ranch landscape. The house has vertical board and batten siding and long wood shingles on the roof and centered porch. The large barn has the same exposed shingle roof over the entire structure. The siding is vertical redwood. Estimated construction date: 1890. |
| Condominium I | End of Sea Walk Drive, The Sea Ranch | Private | Condominium I includes ten units designed by Moore, Lyndon, Turnbull and Whitaker in Sea Ranch Modern, forerunner of this style of architecture in the United States. Construction date: 1965. |
| Espherick Cluster House | Black Point Reach, The Sea Ranch | Private | One of the Espherick cluster houses, first detached residential units at Sea Ranch. Hedge Row housing related to cypress windbreak, Construction date: 1965. |
| Stewarts Point / Horseshoe Cove | | | |
| Stewarts Point Post Office | Highway 1 and Skaggs Springs Road, Stewarts Point | Private | The Post Office building and cluster of houses appear to be built at various times and date from 1890 to 1920, but are similar with gable roofs, are small and painted white. |
| Stewarts Point Store | Highway 1 and Skaggs Springs Road, Stewarts Point | Private | The general merchandise store is a two story Greek Revival building painted blue with white trim and horizontal shiplap siding. The gable roof has a broken pediment. There are six symmetrically placed windows at the front and rear. Construction date: 1868. |
| Stewarts Point Hotel and Barns | Highway 1 and Skaggs Springs Road, Stewarts Point | Private | This group of buildings appears to range in date from 1870 to 1900. The hotel has two buildings, the one to the west appearing older because of the wider shiplap siding. The salt box barn to the south is an excellent example, with long shingles on the gable roof and vertical unpainted siding. These and various barns and outbuildings, along with the adjacent store building and one-room school, demonstrate every facet of rural Greek Revival architecture and are the first example of a small rural complex in Sonoma County. |

| Feature | Location | Ownership | Description |
|--|--|-----------|--|
| Stewarts Point / Horseshoe Cove (cont.) | | | |
| Stewarts Point School | West of Highway 1, south of Stewarts Point | Private | The Stewarts Point School is an excellent example of the one-room Greek Revival schoolhouses that dotted Sonoma County before the turn of the century. The main gable roof and the two side gablets have broken pediments, and a cupola with flagpole sits on the eave toward the front of the building. Estimated construction date: 1860. |
| Richardson House | 29601 Highway 1 | Private | This vernacular residence shows distinctive styles of the late nineteenth and early twentieth century. The wide, steep-pitched gable roof covers a square bay on the second floor and tall, narrow windows below. Various wings have been added. A small gable roof barn sitting in the rocks overlooking the ocean exemplifies the small sheep feeder barns in the region. Estimated construction date: 1900. |
| Kruse Barn and House | Highway 1 at Cannon Gulch | Public | The Kruse Ranch barn is a very large gable roof wood structure with vertical wood siding. A large portion of the roof collapsed in the last year. Across the road are two gable roof cottages. Estimated construction date: 1880. |
| Salt Point | | | |
| Plantation | 34285 Kruse Ranch Road | Private | Plantation is a small town of gable roof structures built around San Andreas Fault sag ponds. The existing residence is a gable roof structure. Estimated construction date: 1870 |
| Sawmill Teepee | 31090 Seaview Road | Private | The sawmill teepee, remnant of a lumber mill, is believed to be the only remaining on in the Sonoma Coastal Zone. |
| Timber Cove / Fort Ross | | | |
| Stillwater Cove Ranch | 22555 Coast Highway 1 | Private | The house is a simple colonial style structure with gable roof and roof dormers. There are two stone buildings on the property and stone pillars at the entrance. The complex has been used as a boys' school but is currently operated as a guest ranch. |
| Fort Ross School | Stillwater Cove Regional Park, Highway 1 | Public | The one-room school has recently been restored after being moved to its present site. The schoolhouse, constructed around 1885 at Fort Ross, is Greek Revival with simple, clean lines and precise detailing. It has horizontal lap siding and the distinguishing bell tower of a school. The Fort Ross School is Sonoma County Landmark No. 27. |
| Ocean Cove | 23125 Coast Highway 1 | Private | There are four structures on this site: A grocery store, barn and two houses. The store and the two houses are sided with long shingles. Estimated construction date: 1900. |
| Town of Fort Ross | 20700 Coast Highway 1 | Private | The town of Fort Ross has three gable roof houses with natural wood, horizontal siding. There is a large water tank between the houses and the cove. Estimated construction date: 1920. |
