I am writing you to ask that you to reject the restrictions in the proposed Rule and not to delegate the creation of performance standards and/or restrictions to the TSRA Board. There are already many restrictions when it comes to Sea Ranch property and these restrictions would benefit only a few full-time residents who can afford to live here full time. This is elitist and would also hurt the local economy. I want to retire here and am very particular about any individual who comes to rent my property. Creating more rules to benefit the few is disappointing and against any fair standard.
