Commissioner Carr,

I can't speak to the voicemail that Nader received from Ms. Cadena as it went directly to him, but I have attached the correspondence that we have received at Permit Sonoma from her to date. Please let me know if you have any additional questions.

Kind regards,

Adam

item 3 in this email is a request for a continuance from County folks. It refers to a voice mail from MS cadena. I would like to know what the concern is ahead of the hearing.

Can you or Mr Dahu pass that along this morning?

thx

greg
