Thought you should know about this (and feel free to share and post):

> Traffic backed up in all directions at Madrone and Arnold in Glen Ellen next to Sonoma Developmental Center due to Hwy 12 closure. Looks like the gridlock likely from SDC with a 1,000 homes and 3,000 residents, workers and visitors as proposed by developer! And what about wildfire evacuation?

Backup all the way to Glen Ellen and Hwy 12 thru Stage Gulch Road on Arnold Drive.  
This is what will happen in an emergency.
