Hello Shawna,

As a result of our conversation today, Ghilotti Construction is requesting that its Use Permit application be heard at the Board of Zoning Adjustments hearing on December 10, 2020 instead of the previously scheduled November 12, 2020 hearing. This will allow Lucy Macmillan (Environmental Scientist consultant to Ghilotti Construction) the time necessary to prepare a response to CDFW's comments dated October 19, 2020.

Thank you.
