Hey Gary,

I hope your day is going well. I think we're all appreciating the rain!!!!

Attached is a policy positions document we made available to hosts, and is also accessible to the general public who visit our [Sonoma County Coalition of Hosts website](#) via our [regulations](#) webpage.

Could you include it with the documents the Planning Commission will be reviewing for their March 17, 2022, meeting regarding the VR Ordinance Update?

Thanks for all you do. It's not easy herding cats!

Charles
