Hello,

I'd like to express my thoughts on the whole business of vacation rentals.

I live on a private road, which is about 11' wide. One way in, one way out.

We now have 2 vacation rentals on this road with another on the way when their pool gets finished. So out of 9 residences at the top of this hill, there soon will be 3 rentals. That's 30% of the homes here.

There are only 4 full time residences here, and it just seems to break up the neighborhood. The weekends come with traffic and lots of noise. Renters don't know how to drive this narrow private road, and it can cause accidents.

For safety reasons, as well as the encroaching on our way of life, the vacation rental business just doesn't fit here.

Sincerely,

Lenny Siegel 1019 Westside Road. Healdsburg
